Attn: John McMillan, Deputy Division Chief

RE: Contract No. 02-3E7304  
Siskiyou County North of Yreka at Hilt Road Overcrossing  
Bid Opening Date 4/2/15

Mr. McMillan,

Please accept this letter as a request by R N R Construction of the Department to closely re-evaluate and reject the bid as submitted by Shasta Services Inc., dba Timberworks ("Timberworks") for the above referenced project due to the fact that Timberworks listed in its "Subcontractor Listing" an unlicensed entity to perform contract work and included an excessive amount of consultant fees in its DBE Submittal.

**Unlicensed Entity**

In its bid, Timberworks listed a non-licensed entity (a Consultant) to perform 61% of Item 10 "Job Site Management".

Per the 2010 Standard Specifications 13-4.01A, Job Site Management includes *"performing job site management, including spill prevention and control, material management, waste management, nonstormwater management and dewatering activities. Implement effective handling, storage, usage and disposal practices to control material pollution and manage waste and nonstormwater at the job site before they come in contact with storm drain systems and receiving waters."*

All tasks included under the Job Site Management specification is actual work to be performed at the jobsite, and thus an unlicensed consultant would not legally be qualified to perform such tasks on this project. Only one other Prime bidder out of all the bidders listed a consultant on the "Subcontractor Listing" but Item 10 was not included, as it should not be.

The error in the listing, and further documentation in the DBE submittal is a material error in abiding by the laws of listing and licensed work.

RE: Contract No. 02-3E7304

Siskiyou County North of Yreka at Hilt Road Overcrossing

Bid Opening Date 4/2/15

**Excessive Consultant Fees**

With regards to Item 22 "Work Area Monitoring (Bridge)" included in the DBE Submittal of Timberworks for \$18,000.00 to be performed by the same consultant, the quote provided a price of \$3,600 per day for monitoring. Broken down into an eight-hour day, the consultant pricing would equate to \$450 per hour. This fee is excessive and such amounts should not be contributable to the DBE percentage for the project, especially as compared to the daily cost items for other similar items such as Item 13 at \$395 per day.

As a DBE contractor itself, R N R Construction as the third bidder, respectfully asks that the Department thoroughly reject the Subcontractor Listing of Timberworks as non-compliant and non-responsive and then reject the DBE participation goal calculations as not satisfactorily reliable, and insufficiently responsive to the rules. Consequentially, the bidder has not fulfilled the minimum DBE participation listed for this project.

We appreciate your prompt consideration and attention to this matter. If you have any questions, please contact the undersigned at (916) 379-0957.

Sincerely,

**R N R Construction, Inc.**
